Experience

Shyampari EduMed Pvt. Ltd.

Jun 2025 – Aug 2025

Frontend React Developer (Intern)

Pune, Maharashtra

- Built and shipped responsive full-stack features using React.js and Node.js, reducing page load time by ~30%
- Integrated REST APIs and JWT-based authentication flows across 3 core modules serving live production users
- Contributed to chatbot integration and automated deployment workflows using Bash and GitHub CI/CD

Projects

Surya Kiran Solar Solution – Solar EPC Lead-Generation Platform

Jun 2026 – Present

React.js, Node.js, Express.js, MongoDB, Tailwind CSS, Leaflet.js, Docker

Solo Project

- Architected a full-stack MERN lead-generation platform with 14+ pages, role-based JWT admin panel, and REST API
- Built an interactive Leaflet.js map with marker clustering rendering geo-indexed project data from MongoDB
- Designed a unified lead-capture system (CTAs, exit-intent, calculators) feeding a CRM-style enquiry pipeline
- Containerized with Docker Compose and deployed via Vercel/Render with MongoDB Atlas

LocalLink – Hyperlocal Service Marketplace

Sep 2025 – Feb 2026

React.js, Next.js, Node.js, Express.js, MongoDB, Tailwind CSS, JWT

Team of 3

- Built end-to-end service booking platform connecting 50+ providers across electricians, plumbers, and carpenters
- Implemented role-based JWT authentication, CRUD operations, and provider profile management
- Presented and published research paper at IEEE-affiliated ETFI 2026 Conference, validating system design and architecture

Education

MIT ADT University

2023 – 2027

B.Tech, Electronics & Computer Engineering – CGPA: 8.27/10 (First Class with Distinction)

Pune, Maharashtra

Publications

LocalLink: Hyperlocal Services Marketplace

Feb 2026

IEEE-affiliated ETFI 2026 Conference | 4 Authors | Mentor: Dr. Suvarna Bhagwat

Pune

- Published and presented research on scalable full-stack architecture solving service accessibility and discovery challenges in local markets
